KNOCKED CALLEY WEST.

Hand-Car Into Kindling Wood.

This morning, as the Little Miami pay car was on its way to Springfield from he had placed the rig in charge of the hotel Venia, an accident happened which came within an ace of being very serious. The section men of Yellow Springs were working on a curve about a mile south of the Springs, all unaware that the pay car was even within fifty miles of them. Having finished their work at a certain point, they boarded their hand-car and started towards the Springs, when the engine to which

the curve right behind them. There was no time for stopping to lunch or even mor the perspiration from their heated brows. The train was approaching at the rate of the train was approaching at the rate the thirty-five miles an hour, which seemed to the men on the hand-car almost that many miles a minute. The men sprang down the embankment and left the hand-car to take care of itself. The next instant the locomotive struck the hand-car with a crash and knocked it galley west. These a toy enough of that hand-ear left to make a toy wheel-barrow. The train was stopped and wheel-barrow were taken to the Springs. where they received their pay as if nothin amaged in any way by the collision.

SERIOUS SMASHUP

astrous Effect.
